Award Criteria -The intent of this award is to recognize outstanding contributions of Department of the Air Force flight surgeons to the health, welfare, safety and mission effectiveness of USAF aircrew as well as to the vitality of the specialty of Aerospace Medicine over an extended period of time. Emphasis is on total contributions over an extended period of time rather than on singular or short-term accomplishments. Particular emphasis is on excellence and accomplishment in program management and administration. There are no restrictions as to rank, age or membership in the Society. Nominees must be Regular, Reserve, or Guard flight surgeons.

Nomination Narrative - The nomination will consist of a one-page narrative summary outlining the nominee's qualifications for the award and accomplishments. All submissions must be electronic, Times New Roman, 12 font.
